About Andi on Adventure

Founded in early 2016, Andi on Adventure embraces the idea "The biggest adventure you can take is to live the life of your dreams." Life is an adventure!

About Andi

An American expat currently based in Taiwan, I quit my job at age 51 and left the US to start over somewhere in Asia. After more than 3 years teaching English in Taiwan, I'm searching for the next place to call home. I live my life fearlessly with a curiosity about the world!
